GROWTH OPPORTUNITIES

- Agritourism sites like Briggs & Little offers opportunity to attract more year-round visitors
- Craft beverage production successes could be scaled up further

KEY STRENGTHS

- ✓ Ample farmland available for production
- ✓ High volume of retired farmers with expertise for mentoring New Entrants
- ✓ Good mixture of commodities in production

DID YOU KNOW ?

Briggs & Little Woolen Mill is Canada's oldest operating woolen mill, established in 1857. This family-run business purchases raw wool from local farmers to produce high-quality products that are in high demand worldwide.
